World's First LED E Marked Driving Lamp

Wipac have designed and are currently manufacturing the *world's first road legal LED driving lamp*. The main application for this lamp is BMW Mini Mk1/Mk2 but can be mounted onto any vehicle desired.

Sold in pairs, this lamp will be the first ever of its kind. The 9 LEDs output a distinctive bright white light that are complimentary to existing Mini xenon headlights and will be the envy of other road users. Keep checking the website www.wipac.com for more information and a release date.
